BY TEMPUR® WARRANTY

This document sets out the terms and exclusions of the BY TEMPUR® Warranty for new BY TEMPUR® products sold to consumers worldwide (excluding the USA and Canada).

Who offers the BY TEMPUR® Warranty?

The Manufacturer of BY TEMPUR® products (except those in the USA and Canada) is Dan-Foam ApS, a company incorporated in Denmark under company registration number DK-24209709. Registered office address: Holmelund 43, 5560 Aarup, Denmark (the "Manufacturer"). Dan-Foam ApS is a subsidiary of TEMPUR-Sealy International, Inc.

What is covered?

The Manufacturer warrants that all new and genuine BY TEMPUR® products are free from material defects due to faulty workmanship or materials for the applicable warranty period (see section - For how long?) unless the product is specifically excluded, or an exclusion applies (see section - Exclusions).

The BY TEMPUR® Warranty is valid for products purchased by consumers anywhere in the world (except the USA and Canada) from the Manufacturer or an authorised retailer for personal use and not in the course of a business, trade or profession. A list of authorised retailers is available at tempur.com.

For how long?

The BY TEMPUR® Warranty lasts for the period displayed on or inside the packaging of the relevant product or as stated below, starting from the date of purchase (except where the product is an ex-display or demonstration model in which case the warranty starts from the date of manufacture).

The warranty period is generally as set out in the warranty table, but the Manufacturer advises that you should check the warranty terms for the country in which you originally purchased your product as there may be a different warranty period applicable. For this, please visit warranty.tempur.com.

What will we do?

Where a valid claim is made in accordance with this BY TEMPUR® Warranty, the Manufacturer shall offer, at its choice, either to repair the defective product or provide an equivalent replacement product free of charge.

The Manufacturer will refund the reasonable delivery cost of returning a defective product for repair or replacement so long as the claim is valid under the terms of this BY TEMPUR® Warranty and the product is returned from an address within the same country as the authorised retailer the product was purchased from. The repaired or replacement product will be delivered free of charge to an address within the same country as the authorised retailer the product was purchased from. In all other circumstances, any delivery costs associated with any repairs or replacements are the purchaser's responsibility.

In the event of replacement, the Manufacturer shall endeavour to provide a replacement product from the same line. However, if the product line has been discontinued or the product is otherwise not available, the Manufacturer reserves the right to provide a replacement product that, in the Manufacturer's sole discretion, is similar to the defective product.

The BY TEMPUR® Warranty provides cover from the date of purchase (or date of manufacture in the case of ex-display/demonstration products) of the original product. It is not renewed on the provision of a repaired or replaced product. In these circumstances, the BY TEMPUR® Warranty will run for the remainder of the period starting from the original purchase or manufacture date, as applicable.
