Ostuni™ from TEMPUR® revolutionises the splitback Convertible Sofa for unrivalled comfort

Designed by:
Pino Patella

Ostuni™ sofa convertible

Ostuni™ from TEMPUR® revolutionises the convertible sofa. Now you can experience that unique TEMPUR® feeling of unrivalled comfort and support, blended with the finest contemporary design. Why compromise on either? With Ostuni you can have both.

We took our ground-breaking Material – first developed for NASA to cushion astronauts during space flight – and infused its pressure-relieving properties into a sofa convertible that adapts perfectly to you. From the moment you sit or lie down, Ostuni™ instantly conforms and adapts to your body with such precision, you'd think it was made just for you.

Created in collaboration with Pino Patella, this is the perfect blend of iconic Danish craftsmanship and Italian design. Elegant and minimalist, Ostuni™ is a milestone in style and function that complements any home. Available in a choice of two colours, now you can finally enjoy the magic of TEMPUR® in a piece of stunning furniture, without sacrificing taste.

'When I collaborated with TEMPUR® to create Ostuni™, we wanted to change the way people saw a convertible sofa: design and comfort without compromise. What we have made has exceeded my best expectations and I am proud to have been part of its creation.' – Pino Patella

The Ostuni™ chair and ottoman from TEMPUR® lets you relax in total comfort and style

Designed by:
Pino Patella

Ostuni™ single seater recliner

Ostuni™ offers that unique TEMPUR® feeling without compromising on style. We took our iconic Material – first developed for NASA to cushion astronauts during space flight - and infused it into a recliner that is as elegant as it is functional.

Created in collaboration with Pino Patella, Ostuni™ is the perfect blend of quality Danish craftsmanship and contemporary Italian design. From the moment you sit, The TEMPUR® Material inside instantly conforms and adapts to your body size, shape and weight for ultimate comfort and support.

Sophisticated and minimalist, this recliner will complement any home. Available in a choice of two colours, you can finally experience the magic of TEMPUR® in a stunning piece of multipurpose furniture without compromising on taste.

‘When I collaborated with TEMPUR® to create Ostuni™, we wanted to change the way people saw a recliner chair: design and comfort without compromise. What we have made has exceeded my best expectations and I am proud to have been part of its creation.’ – Pino Patella

Altamura™ from TEMPUR® takes the Convertible Sofa to new levels of unsurpassed comfort

Designed by:
Nicola Sardone

Altamura™ sofa convertible

Altamura™ from TEMPUR® revolutionises the convertible sofa for ultimate comfort. Created in collaboration with Nicola Sardone, this is the perfect blend of contemporary Italian design and iconic Danish craftsmanship.

We took our ground-breaking Material – first developed for NASA to cushion astronauts during space flight – and infused its unrivalled pressure-relieving properties into a sofa convertible that instantly conforms and adapts to your body, giving you the perfect balance of comfort and support.

Altamura™ rapidly converts from sofa to bed in one simple motion, instantly transforming into the perfect sleep experience you expect from the world's best bedding company. Available in a choice of two elegant colours, you can now finally experience that unique TEMPUR® feeling in a truly comfortable piece of multipurpose furniture that does not compromise on taste.

'The challenge we faced was designing a stylish and cosy piece of furniture that can easily be converted into a bed that looks good and feels fantastic. With TEMPUR® we have achieved this more than I could have hoped in my wildest dreams.' – Nicola Sardone

Relax and unwind with Altamura™, a recliner from TEMPUR® with TEMPUR® Material inside

Designed by:
Nicola Sardone

Altamura™ single seater recliner

Altamura™ from TEMPUR® revolutionises the recliner for unparalleled comfort. Created in collaboration with Nicola Sardone and using our unique, extra-soft TEMPUR® Material, this is the perfect blend of contemporary Italian design and iconic Danish craftsmanship.

We have taken our ground-breaking Material – first developed for NASA to cushion astronauts during space flight – and infused its unrivalled pressure-relieving properties into an extra soft, single-seater recliner that fits perfectly to you. From the moment you sit down, the layers of TEMPUR® Material inside instantly conform and adapt to your body size, shape and weight for the perfect balance of comfort and support.

Available in a choice of two elegant colours, Altamura™ gives you that unique TEMPUR® feeling in unbelievably comfy chair that does not compromise on taste.

‘We wanted to create a recliner chair that not only looks good but also feels fantastic. Unrivalled comfort and classic style were paramount. With Altamura™ we have achieved this more than I could have hoped in my wildest dreams.’ – Nicola Sardone
